

# CREDENTIAL CHECKING AGAINST THE GLOBAL ENGINEERING EDUCATION STANDARDS

We're here to help you on your journey to becoming Chartered. As our first step, we assess your engineering credentials against the global engineering educational standards: Washington, Sydney, and Dublin Accord. We do this through our Credential check process.

Credential checks are free for Engineering New Zealand Members.

## Dublin Accord Equivalent Overseas Qualifications

Qualifications must be within the accreditation dates to be accepted as Dublin Accord equivalent. Use the links under the **Database** column. These are ordered in priority.
