

# UPDATE YOUR DETAILS – PROMOTION TERMS AND CONDITIONS

## Terms and Conditions

To be eligible for \$50 credit towards your professional development through Engineering New Zealand and to be entered into the draw to win a VIP 2025 ENVI Awards experience you must:

1. Update your [Personal details](#) and [Your preferences](#) between 25 March 2025 and 8 April 2025 (the "Promotion Period").
2. Be a member of Engineering New Zealand. Current employees of Engineering New Zealand and their Immediate Families are excluded from the draw. Immediate Families include spouses, grandparents, parents, children, and grandchildren.

## Professional Development Credit

3. Each eligible member who updates their details during the Promotion Period will be eligible for 1 x \$50 credit towards any in-person Engineering New Zealand course booked before the end of May 2025.
4. Multiple updates of account details do not result in multiple entries into the prize draw or additional credit.
5. Your discount code will be emailed to you within 7 days of updating your details.
6. Your discount code can only be used in one transaction and cannot be applied across multiple courses. The credit is non-transferable.

## ENVI Awards VIP Experience

7. The ENVI Awards VIP experience includes:
  - two tickets to the Awards night on 25 July 2025 at The Dome, Auckland Museum, valued at \$170 incl GST each
  - one night's accommodation for two including breakfast, hotel to be determined by Engineering New Zealand
  - an invitation to the pre-event drinks at the same venue
  - a reserved leaner and front-row seats on the night
  - a VIP gift
8. Travel costs, including flights and transportation, are not included.
9. The prize draw will be made during the week commencing 14 April 2025. Engineering New Zealand will select the winner through a random draw of all eligible entries.
10. The successful winner will be contacted via email from [envis@engineeringnz.org](mailto:envis@engineeringnz.org).
11. To claim the prize, the winner must reply confirming their acceptance within seven calendar days of being notified by Engineering New Zealand. Failure to reply within that time period will result in the prize being forfeited, and a new winner will be drawn. If the second winner does not claim the prize, Engineering New Zealand reserves the right to determine how the prize is awarded.
12. This promotion is only available to Engineering New Zealand members during the promotion period.

13. Engineering New Zealand's determination of the winner will be final, and no correspondence will be entered into.
14. Engineering New Zealand reserves the right to amend, vary, extend or discontinue the prize draw at any stage, for any reason to the extent permitted by New Zealand law.
15. Except for liability that may not be excluded by law, Engineering New Zealand will not be liable for any loss, claim, cost, expense, liability, or injury suffered by any person arising directly or indirectly out of or in connection with the promotion or with winning, redeeming or benefitting from the promotion.
